

NEW WHITEPINE COVID PROTOCOL UPDATE POSTED 09/28/2021

In light of the new provincials restrictions outlined for us last week, please take note of our revised Covid protocol. Effective immediately:

- Masks must be worn at **all** times in the building;
- Physical distancing is to be observed at **all** times in the building (with the exception of family groups);
- For the sake of contact tracing, attendance will continue to be recorded;
- We will once again be observing the ENTRANCE & EXIT signs for the building and sanctuary;
- There will be no congregational singing.

For any/all other gatherings and meetings in the church building, proof of vaccination (or medical exemption) must be show prior to entering the building, as mandated by the Province of NB.

Continue to pray that this is only a temporary measure, and that these newer restrictions (which are in response to rising case numbers and hospitalizations here in NB) will soon be lifted.
